Somebody's gonna hurt someone  
Before the night is through  
Somebody's gonna come undone.  
There's nothin' we can do.  
Everybody wants to touch somebody  
If it takes all night.  
Everybody wants to take a little chance,  
Make it come out right.

There's gonna be a heartache tonight,  
A heartache tonight, I know.  
There's gonna be a heartache tonight, I know.  
Lord, I know.

Some people like to stay out late  
Some folks can't hold out that long  
But nobody wants to go home now.  
There's too much goin' on.

This night is gonna last forever.  
Last all, last all summer long.  
Some time before the sun comes up  
The radio is gonna play that song.

There's gonna be a heartache tonight,  
A heartache tonight, I know.  
There's gonna be a heartache tonight,  
A heartache tonight, I know.  
Lord I know.

There's gonna be a heartache tonight,  
The moon's shinin' bright  
So turn out the light, and we'll get it right.  
There's gonna be a heartache tonight,  
A heartache tonight I know.

--- Instrumental ---

Somebody's gonna hurt someone, (somebody)  
Before the night is through  
Somebody's gonna come undone,

Nothin' we can do (Everybody)  
Everybody wants to touch somebody  
If it takes all night  
Everybody wants to take a little chance  
To make it come out right.

There's gonna be a heartache tonight  
A heartache tonight, I know  
There's gonna be a heartache tonight,  
A heartache tonight, I know  
Let's go.

We can beat around the bushes;  
We can get down to the bone  
We can leave it in the parkin' lot,  
But either way, there's gonna be a,

Heartache tonight, a heartache tonight I know.  
I know, there'll be a heartache tonight  
A heartache tonight I know. whoa.

Break my heart...
