Get Over It

I turn on the tube and what do I see  
A whole lotta people cryin' "Don't blame me"  
They point their crooked little fingers at everybody else  
Spend all their time feelin' sorry for themselves  
Victim of this, victim of that  
Your momma's too thin; your daddy's too fat  
Get over it  
Get over it  
All this whinin' and cryin' and pitchin' a fit  
Get over it, get over it  
You say you haven't been the same since you had your  
little crash  
But you might feel better if I gave you some cash  
The more I think about it, Old Billy was right  
Let's kill all the lawyers, kill 'em tonight  
You don't want to work, you want to live like a king  
But the big, bad world doesn't owe you a thing  
Get over it  
Get over it  
If you don't want to play, then you might as well split  
Get over it, Get over it  
It's like going to confession every time I hear you speak  
You're makin' the most of your losin' streak  
Some call it sick, but I call it weak  
You drag it around like a ball and chain  
You wallow in the guilt; you wallow in the pain  
You wave it like a flag, you wear it like a crown  
Got your mind in the gutter, bringin' everybody down  
Complain about the present and blame it on the past  
I'd like to find your inner child and kick its little ass  
Get over it  
Get over it  
All this bitchin' and moanin' and pitchin' a fit  
Get over it, get over it  
Get over it  
Get over it  
It's gotta stop sometime, so why don't you quit  
Get over it, get over it

## Love Will Keep Us Alive

I was standing  
All alone against the world outside  
You were searching  
For a place to hide  
Lost and lonely  
Now you've given me the will to survive  
When we're hungry...love will keep us alive  
Don't you worry  
Sometimes you've just gotta let it ride  
The world is changing  
Right before your eyes  
Now I've found you  
There's no more emptiness inside  
When we're hungry...love will keep us alive  
I would die for you  
Climb the highest mountain  
Baby, there's nothing I wouldn't do  
I was standing  
All alone against the world outside  
You were searching  
For a place to hide  
Lost and lonely  
Now you've given me the will to survive  
When we're hungry...love will keep us alive  
When we're hungry...love will keep us alive  
When we're hungry...love will keep us alive

## The Girl From Yesterday

It wasn't really sad the way they said good-bye  
Or maybe it just hurt so bad she couldn't cry  
He packed his things, walked out the door and drove  
away  
And she became the girl from yesterday  
He took a plane across the sea  
To some foreign land  
She stayed at home and tried to understand  
How someone who had been so close could be so far  
away  
And she became the girl from yesterday  
She doesn't know what's right  
She doesn't know what's wrong  
She only knows the pain that comes from waiting for so  
long  
And she doesn't count the teardrops  
That she's cried while he's away  
Because she knows deep in her heart  
That he'll be back someday  
The light's on in the window; she's waiting by the phone

Talking to a memory that's never coming home  
She dreams of his returning and the things that he  
might say  
But she'll always be the girl from yesterday  
Yeh, she'll always be the girl from yesterday

#### Learn To Be Still

It's just another day in paradise  
As you stumble to your bed  
You'd give anything to silence  
Those voices ringing in your head  
You thought you could find happiness  
Just over that green hill  
You thought you would be satisfied  
But you never will-  
Learn to be still  
We are like sheep without a shepherd  
We don't know how to be alone  
So we wander 'round this desert  
And wind up following the wrong gods home  
But the flock cries out for another  
And they keep answering that bell  
And one more starry-eyed messiah  
Meets a violent farewell-  
Learn to be still  
Learn to be still  
Now the flowers in your garden  
They don't smell so sweet  
Maybe you've forgotten  
The heaven lying at your feet  
-Solo-  
There are so many contradictions  
In all these messages we send  
(We keep asking)  
How do I get out of here  
Where do I fit in?  
Though the world is torn and shaken  
Even if your heart is breakin'  
It's waiting for you to awaken  
And someday you will-  
Learn to be still  
Learn to be still  
You just keep on runnin'  
Keep on runnin'

#### Tequila Sunrise

It's another tequila sunrise  
Starin' slowly 'cross the sky, said goodbye  
He was just a hired hand

Workin' on the dreams he planned to try  
The days go by  
Ev'ry night when the sun goes down  
Just another lonely boy in town  
And she's out runnin' 'round  
She wasn't just another woman  
And I couldn't keep from comin' on  
It's been so long  
Oh, and it's a hollow feelin' when  
It comes down to dealin' friends  
It never ends  
Take another shot of courage  
Wonder why the right words never come  
You just get numb  
It's another tequila sunrise, this old world  
still looks the same,  
Another frame, mm...

### Hotel California

On a dark desert highway, cool wind in my hair  
Warm smell of colitas, rising up through the air  
Up ahead in the distance, I saw a shimmering light  
My head grew heavy and my sight grew dim  
I had to stop for the night  
There she stood in the doorway;  
I heard the mission bell  
And I was thinking to myself,  
'This could be Heaven or this could be Hell'  
Then she lit up a candle and she showed me the way  
There were voices down the corridor,  
I thought I heard them say...  
Welcome to the Hotel California  
Such a lovely place  
Such a lovely face  
Plenty of room at the Hotel California  
Any time of year, you can find it here  
Her mind is Tiffany-twisted, she got the Mercedes  
bends  
She got a lot of pretty, pretty boys, that she calls  
friends  
How they dance in the courtyard, sweet summer sweat.  
Some dance to remember, some dance to forget  
So I called up the Captain,  
'Please bring me my wine'  
He said, 'We haven't had that spirit here since nineteen  
sixty nine'  
And still those voices are calling from far away,  
Wake you up in the middle of the night  
Just to hear them say...  
Welcome to the Hotel California

Such a lovely place  
Such a lovely face  
They livin' it up at the Hotel California  
What a nice surprise, bring your alibis  
Mirrors on the ceiling,  
The pink champagne on ice  
And she said 'We are all just prisoners here, of our own  
device'  
And in the master's chambers,  
They gathered for the feast  
They stab it with their steely knives,  
But they just can't kill the beast  
Last thing I remember, I was  
Running for the door  
I had to find the passage back  
To the place I was before  
'Relax,' said the night man,  
We are programmed to receive.  
You can checkout any time you like,  
but you can never leave!

#### Wasted Time

Well baby, there you stand  
With your little head, down in your hand  
Oh, my God, you can't believe it's happening  
again  
Your baby's gone, and you're all alone  
and it looks like the end.  
And you're back out on the street.  
And you're tryin' to remember.  
How will you start it over?  
You don't know what became.  
You don't care much for a stranger's touch,  
But you can't hold your man.  
You never thought you'd be alone this far  
down the line  
And I know what's been on your mind  
You're afraid it's all been wasted time  
The autumn leaves have got you thinking  
about the first time that you fell  
You didn't love the boy too much, no, no  
you just loved the boy too well, Farewell  
So you live from day to day, and you dream  
about tomorrow, oh.  
And the hours go by like minutes  
and the shadows come to stay  
So you take a little something to  
make them go away  
And I could have done so many things, baby  
If I could only stop my mind from wondrin' what

I left behind and from worrying 'bout this wasted time  
Ooh, another love has come and gone  
Ooh, and the years keep rushing on  
I remember what you told me before you went out on  
your own:  
"Sometimes to keep it together, we got to leave it  
alone."  
So you can get on with your search, baby, and I can  
get on with mine  
And maybe someday we will find, that it wasn't really  
wasted time  
Mm, hm  
Oh hoo, ooh, ohh,  
Ooh, ooh, mm

#### Pretty Maids All In A Row

Hi there,  
How are 'ya?  
it's been a long time  
My, but we learn so slow  
and heroes, they come  
and they go  
and leave us behind as if  
we're s'posed to know why  
Why do we give up our hearts to the past?  
and why must we grow up so fast?  
And all you wishing well fools  
with your fortunes  
someone should send you a rose with  
love from a friend,  
it's nice to hear from you  
again  
And the storybook comes to a close  
Gone are the ribbons and bows  
Things to remember places to go  
Pretty Maids all in a Row  
Oh, oh oh, oh.....

#### I Can't Tell You Why

Look at us baby, up all night  
Tearing our love apart  
Aren't we the same two people who live  
through years in the dark?  
Ahh...  
Every time I try to walk away  
Something makes me turn around and stay  
And I can't tell you why  
When we get crazy,  
it just ain't to right,

(try to keep you head, little girl)  
Girl, I get lonely,too  
You don't have to worry  
Just hold on tight  
(don't get caught in your little world)  
'Cause I love you  
Nothing's wrong as far as I can see  
We make it harder than it has to be  
and I can't tell you why  
no, baby, I can't tell you why  
I can't tell you why  
No,no, baby, I can't tell you why  
I can't tell you why  
I can't tell you why

#### New York Minute

Harry got up  
Dressed all in black  
Went down to the station  
And he never came back  
They found his clothing  
Scattered somewhere down the track  
And he won't be down on Wall Street  
in the morning  
He had a home  
The love of a girl  
But men get lost sometimes  
As years unfold  
One day he crossed some line  
And he was too much in this world  
But I guess it doesn't matter anymore  
In a New York Minute  
Everything can change  
In a New York Minute  
Things can get pretty strange  
In a New York Minute  
Everything can change  
In a New York Minute  
Lying here in the darkness  
I hear the sirens wail  
Somebody going to emergency  
Somebody's going to jail  
If you find somebody to love in this world  
You better hand on tooth and nail  
The wolf is always at the door  
In a New York Minute  
Everything can change  
In a New York Minute  
Things can get a little strange  
In a New York Minute

Everything can change  
In a New York Minute  
And in these days  
When darkness falls early  
And people rush home  
To the ones they love  
You better take a fool's advice  
And tak care of your own  
One day they're here;  
Next day they're gone  
I pulled my coat around my shoulders  
And took a walk down through the park  
The leaves were falling around me  
The groaning city in the gathering dark  
On some solitary rock  
A desperate lover left his mark,  
"Baby, I've changed. Please come back."  
What the head makes cloudy  
The heart makes very clear  
The days were so much brighter  
In the time when she was here  
But I know there's somebody somewhere  
Make these dark clouds disappear  
Until that day, I have to believe  
I believe, I believe  
In a New York Minute  
Everything can change  
In a New York Minute  
You can get out of the rain  
In a New York Minute  
Everything can change  
In a New York Minute

### The Last Resort

She came from Providence,  
the one in Rhode Island  
Where the old world shadows hand  
heavy in the air  
She packed her hopes and dreams  
like a refugee  
Just as her father came across the sea  
She heard about a place people were simlin'  
They spoke about the red man's way,  
and how they loved the land  
And they came from everywhere  
to the Great Divide  
Seeking a place to stand  
or a place to hide  
Down in the crowded bars,  
out for a good time,

Can't wait to tell you all,  
what it's like up there  
And they called it paradise  
I don't know why  
Somebody laid the mountains low  
while the town got high  
Then the chilly winds blew down  
Across the desert  
through the canyons of the coast, to  
the Malibu  
Where the pretty people play,  
hungry for power  
to light their neon way  
and give them things to do  
Some rich men came and raped the land,  
Nobody caught 'em  
Put up a bunch of ugly boxes, and Jesus,  
people bought 'em  
And they called it paradise  
The place to be  
They watched the hazy sun, sinking in the sea  
You can leave it all behind  
and sail to Lahaina  
just like the missionaries did, so many years ago  
They even brought a neon sign: "Jesus is coming"  
Brought the white man's burden down  
Brought the white man's reign  
Who will provide the grand design?  
What is yours and what is mine?  
'Cause there is no more new frontier  
We have got to make it here  
We satisfy our endless needs and  
justify our bloody deeds,  
in the name of destiny and the name  
of God  
And you can see them there,  
On Sunday morning  
They call it paradise  
I don't know why  
You call someplace paradise,  
kiss it goodbye

Take it Easy

Well, I'm running down the road  
tryin' to loosen my load  
I've got seven women on my mind,  
Four that wanna own me,  
Two that wanna stone me,  
One says she's a friend of mine  
Take It easy, take it easy

Don't let the sound of your own  
wheels drive you crazy  
Lighten up while you still can  
don't even try to understand  
Just find a place to make your stand  
and take it easy  
Well, I'm a standing on a corner  
in Winslow, Arizona  
and such a fine sight to see  
It's a girl, my Lord, in a flatbed  
Ford slowin' down to take a look  
at me  
Come on, baby, don't say maybe  
I gotta know if your sweet love is  
gonna save me  
We may lose and we may win though  
we will never be here again  
so open up, I'm climbin' in, so take it easy  
Well I'm running down the road trying to loosen  
my load,  
got a world of trouble on my mind  
lookin' for a lover who won't blow my  
cover, she's so hard to find  
Take it easy, take it easy  
don't let the sound of your own  
wheels make you crazy  
come on baby  
don't say maybe  
I gotta know if your sweet love is  
gonna save me, oh oh oh  
Oh we got it easy  
We oughta take it easy

### In the City

Somewhere out there on that horizon  
Our beyond the neon lights  
I know there must be somethin' better  
but there's nowhere else in sight  
It's survival in the city  
When you live from day to day  
City streets don't have much pity  
When you're down, that's where you'll stay  
In the city, oh, oh.  
In the city  
I was born here in the city  
With my back against the wall  
Nothing grows, and life ain't very pretty  
No one's there to catch you when you fall  
Somewhere out on that horizon  
Faraway from the neon sky

I know there must be somethin' better  
And I can't stay another night  
In the city, oh, oh.  
In the city

#### Life In The Fast Lane

He was a hard-headed man  
He was brutally handsome, and she was teminally  
pretty  
She held him up, and he held her for ransome in the  
heart  
of the cold, cold city  
He had a nasty reputation as a cruel dude  
They said he was ruthless, they said he was crude  
They had one thing in common, they were  
good in bed  
She'd say, 'Faster, faster. The lights are turnin' red.'  
Life in the fast lane  
Surely make you lose your mind, mm  
Are you with me so far?  
Eager for action and bot for the game  
The coming attraction, the drop of a name  
They knew all the right people, they took  
all the right pills  
They threw outrageous parties, they paid heavily bills.  
There were lines on the mirror, lines on her face  
She pretended not to notice, she was caught up  
in the race  
Out every evening, until it was light  
He was too tired to make it, she was too tired  
to fight about it  
Life in the fast lane  
Surely make you lse your mind  
Life in the fast lane, everything all the time  
Life in the fast lane, uh huh  
Blowin' and burnin', blinded by thirst  
They didn't see the stop sign,  
took a turn for the worst.  
She said, "Listen, baby. You can hear the engine  
ring. We've been up and down this highway;  
haven't seen a goddam thing."  
He said, "Call the doctor. I think I'm gonna crash."  
"The doctor say he's comin', but you gotta pay him  
cash."  
They went rushin' down that freeway, messed around  
and got lost  
They didn't know they were just dyin' to get off  
And it was life in the fast lane  
Life in the fast lane

## Desperado

Desperado, why don't you come to your senses?  
You been out ridin' fences for so long now  
Oh, you're a hard one  
I know that you got your reasons  
These things that are pleasin' you  
Can hurt you somehow  
Don' you draw the queen of diamonds, boy  
She'll beat you if she's able  
You know the queen of hearts is always your best bet  
Now it seems to me, some fine things  
Have been laid upon your table  
But you only want the ones that you can't get  
Desperado, oh, you ain't gettin' no youger  
Your pain and your hunger, they're drivin' you home  
And freedom, oh freedom well, that's just some people  
talkin'  
Your prison is walking through this world all alone  
Don't your feet get cold in the winter time?  
The sky won't snow and the sun won't shine  
It's hard to tell the night time from the day  
You're loosin' all your highs and lows  
Ain't it funny how the feeling goes away?  
Desperado, why don't you come to your senses?  
Come down from your fences, open the gate  
It may be rainin', but there's a rainbow above you  
You better let somebody love you, before it's too late
