Look at us baby
Up all night
Tearing our love apart
Aren't we the same two people
Who lived through years in the dark
Ooh

Every time I try to walk away
Somethin' makes me turn around and stay
And I can't tell you why

When we get crazy
It just ain't right
(Try to keep your head on, little girl)
'Cause girl I get lonely too
You don't have to worry
Just hold on tight
(Don't get caught in your little world)
Cause I love you

Nothin's wrong as far as I can see
We make it harder than it has to be
And I can't tell you why
No, baby, I can't tell you why
I can't tell you why

Every time I try to walk away
Somethin' makes me turn around and stay
And I can't tell you why
No, baby, I can't tell you why
I can't tell you why
I can't tell you why
