Joe Walsh:

Everybody Partys on a New Year's Eve
Waitin' for the countdown
Make alot of promises they never keep
Party with the lights on

Standing still, dressed to kill, holding a glass of
champagne
Everyone having fun tryin' to get out of there brain

Everybody partys on a New Year's Eve
Party with the light's on
(Tell me what you see)Bringin' in a New Year
(Everything's alright with me)Party on New Years Eve!
(Tell me what you see) The peak of the Holiday Season
(Everythings alright with me) Bringin in the New Year

Guitar Solo

(Tell me what you see)Bringin' in a New Year
(Everything's alright with me)Party on New Years Eve!
(Tell me what you see) The peak of the Holiday Season
(Everythings alright with me) Bringin in the New Year

Everybody parties on a New Year's Eve
waitin' for the countdown
Everybody lookin at the big tv, talkin' at the same time
bongin smokes, telling jokes, standin' in the punchline
everybody parties in the new years eve gonna have a
good time (X's 2)

(Tell me what you see)Bringin' in a New Year
(Everything's alright with me)Party on New Years Eve!
(Tell me what you see) The peak of the Holiday Season
(Everythings alright with me) Bringin in the New Year
(Repeat last four lines until fade-out)
