I like the way your sparkling earrings lay,
against your skin so brown
and I wanna sleep with you
in the desert tonight
with a billion stars all around

'cause I gotta peaceful easy feeling
and I know you won't let me down
'cause I'm already standing on the ground

And I found out a long time ago
what a woman can do to your soul
Ah, but she can't take you anyway
You don't already know how to go

And I gotta peaceful, easy feeling
and I know you won't let me down
'cause I'm already standing on the ground

I get this feeling I may know you
as a lover and a friend
but this voice keeps whispering
in my other ear, tells me
I may never see you again
'cause I get a peaceful, easy feeling
and I know you won't let me down

Cause I'm already standing
I'm already standing
Yes, I'm already standing...
on the ground
oooo, oooo
