Artist: Eagles, The
Title: Victim Of Love

What kind of love have you got?
You should be home but you're not
Does a room full of noise
And dangerous boys
Still make you thirsty and hot?

I heard about you and that man...
There's just one thing I don't understand
You say he's alive, and he put out your fire
How come you've still got his gun in your hand

(First Chorus):
Victim of love
I see a broken heart
But You've got your stories to tell
Victim of love
It's such an easy part
And you know how to play it so well

Some people never come clean
I think you know what I mean
You're walkin' a wire
Of pain and desire
Lookin' for love in between

Tell me your secrets
I'll tell you mine
This aint' no time to be cool
And tell all your girlfriends
Your "been around the world" friends
That talk is for loser and fools

(Second Chorus):
Victim of love
I see a broken heart
And I could be wrong but I'm not, no I'm not
Victim of love, we're not so far apart

Show me what kind of love have you got

(Repeat Second Chorus)

Victim of love

You're just a victim of love

And I could be wrong but I'm not, no I'm not

Victim of love

Now your a victim of love

Tell me

What kind of love have you got

What kind of love have you got

What kind of love have you got
