"Days Like That (Baby Silver Refix)"
(feat. Solitair)

Do you remember when days were like that
Now that I think about it
There were some things I regret

Do you remember when days were like that
I was lovin' you and in return you loved back
And now you're tellin' me that you miss that
Betcha feel lonely (Betcha feel lonely) but you lost me
(Betcha feel lonely)

Now that you think about it
How do you feel about it (bout it)
You had some time to live with
The mistake you made
Not tryin' to say I'm perfect (Not tryin' to say I'm perfect
)
Push come to shove I'm worth it
There were things you had to deal with
But it's alright 'coz we're still tight

I can't believe you're back again
After all you've put me thru
Even though I'm still your friend
I don't wanna be with you

Do you remember when days were like that? (like that)
I was lovin' you in return you loved back (loved back)
And now you're telling me that you miss that (miss that)
Bet you feel lonely but it's like that

Do you remember when days were like that? (like that)
I was lovin' you in return you loved back (loved back)
And now you're telling me that you miss that (miss that)
Bet you feel lonely but you lost me (Baby)

Now that I think about it (Now that I think about it)
There are some things I regret (There are some things I
regret)

I should have never just left
You are the way (are the way)
Not explain
But I'm not bitter about it (now now now)
I had to get over it (I had to get over it)
It made me stronger within
There's a lesson here
Hope you learned from it

I can't believe you're back again
After all you've put me thru
Even though I'm still your friend
I don't wanna be with you

Do you remember when days were like that? (like that)
I was lovin' you in return you loved back (loved back)
And now you're telling me that you miss that (miss that)
Bet you feel lonely but it's like that

Do you remember when days were like that? (like that)
I was lovin' you in return you loved back (loved back)
And now you're telling me that you miss that (miss that)
Bet you feel lonely but you lost me (Baby)

Do you remember when days were
Like that I was lovin' you you
Loved back but now you're missin' me
But I bet you feel lonely
I bet you feel lonely

We can be friends but not lovers
Got to be one not the other
We can be friends, we can be friends
Got to be one not the other

Remember when days were like that? (like that)
I was lovin' you in return you loved back (loved back)
And now you're telling me that you miss that (miss that)
Bet you feel lonely but it's like that

Do you remember when days were like that? (like that)
I was lovin' you in return you loved back (loved back)
And now you're telling me that you miss that (miss that)
Bet you feel lonely but you lost me (Baby)

Do you remember when days were like that? (Do you
remember when days were like that)
I was lovin' you in return you loved back (I was lovin'
you)
And now you're tellin' me that you miss that (loved back
and now you're missin' me)

Bet you feel lonely but it's like that (bet you feel lonely,
bet you feel lonely)

Do you remember when days were like that? (Do you
remember when days were like that)
I was lovin' you and in return you loved back (I was lovin
you)
Do you remember when days were like that?
I bet you feel lonely
