Do you remember when days were like that? (Do you..)  
Now that I think about it, there are some things I  
regret...

Do you remember when days were like that?  
I was loving you, in return, you loved back  
And now you're telling me that you miss that  
Bet you feel lonely, but you lost me (Bet you feel lonely)

Now that you think about it  
How do you feel about it? (How do you feel about it?)  
You've had some time to live with  
The mistake that you made  
Not try'na say I'm perfect  
Push comes to shove, I'm worth it  
There were things you had to deal with  
But it's alright, 'cause we're still tight

*[BRIDGE:]*

I can't believe you're back again  
After all you put me through  
Even though I'm still your friend  
I don't wanna be with you

*[CHORUS:]*

Remember when days were like that?  
I was loving you, in return, you loved back  
And now you're telling me that you miss that  
Bet you feel lonely, but it's like that  
Do you remember when days were like that?  
I was loving you, in return, you loved back  
And now you're telling me that you miss that  
Bet you feel lonely, but you lost me

Now that I think about it  
There are some things I regret  
I shoulda' never just let  
You walk away and not explain  
But I'm not bitter 'bout it  
I had to get over it  
It made me stronger within  
There's a lesson here, hope you learn from it

*[BRIDGE:]*

I can't believe you're back again  
After all you put me through  
Even though I'm still your friend  
I don't wanna be with you

*[CHORUS:]*

Remember when days were like that?  
I was loving you, in return, you loved back  
And now you're telling me that you miss that  
Bet you feel lonely, but it's like that  
Do you remember when days were like that?  
I was loving you, in return, you loved back  
And now you're telling me that you miss that  
Bet you feel lonely, but you lost me

Do you remember when days were like that  
I was loving you, you loved back  
And now you're missing me  
But I bet you feel lonely  
I bet you feel lonely

*[BRIDGE 2:]*

We can be friends but not lovers (Ooh)  
Gotta be one or the other (Ahh..)  
We can be friends but not lovers (You know...)  
Gotta be one or the other (Ahh...Ooh)  
Mmmm

*[CHORUS:]*

Remember when days were like that?  
I was loving you, in return, you loved back  
And now you're telling me that you miss that  
Bet you feel lonely, but it's like that  
Do you remember when days were like that?  
I was loving you, in return, you loved back  
And now you're telling me that you miss that  
Bet you feel lonely, but you lost me

*[Repeat BRIDGE 2 in background]*

(I can't believe you're back again  
After all you put me through  
Even though I'm still your friend  
I don't wanna be with you)

Remember when days were like that?  
I was loving you, in return, you loved back  
And now you're telling me that you miss that  
Bet you feel lonely, but it's like that  
Do you remember when days were like that?

I was loving you, in return, you loved back  
And now you're telling me that you miss that  
Bet you feel lonely
