It's getting so lonely

Inside this bed

You know if I should lick my wounds

And say woe is instead of me

And there's an aching inside my head

It's telling me I'm better off alone

But after midnight,

Morning will come,

And the day will see

If you will get some

Chorus:

They say that girl ya know she act too tough tough
tough

It's til I turn off the light

Turn off the light.

They say that girl you know she act so rough rough
rough,

It's til I turn off the light, turn off the light.

And I say follow me follow me follow me down down
down down,

Til you see all my dreams.

Not everything in this magical world is quite what it
seems

I looked above the other day.

Cus I think I'm good and ready for a change.

I live my life by the moon.

If it's high play it low,

If it's harvest time slow and if it's full,

Then go.

But after midnight,

Morning will come,

And the day will see

If you're gonna get some

Chorus

I'm searching for things that I just cannot see,

Why don't you don't you don't you come and be with
me?

I pretend to be cool with me,

Want to believe.

That I can do it on my own without my heart on my
sleeve,

I'm running, I'm running,

Catch up with me life.

Where is the love that I'm looking to find,

It's all in me,

Can't you see,

I can see,

Why can't you see??!!

It's all in me!!

Chorus

Where is your logic

(turn off the light, turn off the light)

Who do you need

(turn off the light, turn off the light)

Where can you turn in you delicate time of need.

Where is you logic.

Who do you need?

Where can you turn in your delicate time of need
