The moon was all aglow  
And heaven was in your eyes  
The night that you told me  
Those little white lies.

The stars all seemed to know  
That you didn't mean all those sighs  
The night that you told me  
Those little white lies.

I've tried but there's no forgetting  
When evening appears  
I've tried but there's no regretting  
In spite of the tears.

The devil was in your heart  
But heaven was in your eyes  
The night that you told me  
Those little white lies.

Hope this is of help.
