I could bet on new years eve

he'd call me up at night

from the other side of the world

Ed was always there alright

Ed's got the looks of a moviestar

Ed's got the smile of a prince

he rides a bike instead of a car

I wanna be his friend

Dancin' in the livingroom

with the ladies so nice

like a child with a wisdom tooth

he's just a friend of mine

Ed's got the rings and the colours

Ed's got the wind in his hair

he goes ridin' with the brothers

he's got a fist in the air

Chorus 1:

He's going to the run run angel

going to the run run angel

and heaven and hell came together that night

only for you this time

going to the run forever angel
one summer at the festival
holdin' on real tight
on the back of a harley
he took me for a ride in the sky
Ed's got the looks of a moviestar
Ed's got the smile of a prince
he rides a bike instead of a car
i'll always be his friend

Chorus 2:

Going to the run run angel
going to the run run angel
and his wings started to shine so bright
like a fire in the night
he's going to the run forever angel
repeat chorus1
