Remember that song called "Kill me"

From Vick Timm's last LP

Too much of a risk

for a golden disc

The price he paid for money

Ce soir, Ce soir

Assassination d'un rock 'n roll star

Sing your song, you can't go wrong

Attempted his business adviser

No need for alarm

you'll come to no harm

He didn't mention the sniper

Ce soir, Ce soir

Assassination d'un rock 'n roll star

The news is read, the meaning spread

One yawn, two yawn, and back to bed

Turn off the light and hold me tight

Come on maman, bend down your head

And just sing on, immortal song

Fini belle vie, bonne nuit

Remember that song called "Kill Me"

A lecture on political chicanery
of people's rape
recorded on tape
Bought shame to the presidency
Tonight, tonight
One more point for human right
Remember that song "Kill Me"
once used by a man from Galilee
He had nothin' to lose
He was king of the Jews
Secured his place in history
Ce soir, Ce soir
assassination d'un provocateur
The news is read, the voice is spread
One yawn, two yawn, and back to bed
Turn off the light and hold me tight
Come on maman, bend down your head
And just sing on, immortal song
Fini belle vie
Vick played the part, with all his heart
He wasn't prepared for the shock
When howling lead
bit into his head
A new martyr for the book of rock
Ce soir, Ce soir

Assassination d'un rock 'n roll star
