I've been drivin' all night, my hands are wet on the wheel.

There's a voice in my head that drives my heel.

My baby call said I need you here.

It's half past four and I'm shifting gears.

When she's lonely and the longing gets too much,

She sends a cable coming in from above.

Don't need no phone at all.

We got a thing that's called radar love

We got a wave in the air

Radar love

The radio's playin' some forgotten song.

Brenda Lee's coming on strong.

The road has got me hypnotized,

As I spin into a new sunrise.

When I get lonely and I'm sure I've had enough,

She sends comfort coming in from above.

Don't need no letters at all.

We got a thing that's called radar love

We got a line in the sky

Radar love

No more speed I'm almost there.
Gotta keep cool, now, gotta take care.
Last car to pass, here I go.
The line of cars drove down real slow.
The radio plays that forgotten song.
Brenda Lee's coming on strong.
The news man sang his same song,
One more radar lover gone.
When I'm feeling lonely and I'm sure I've had enough.
She sends the comfort coming in from above.
Don't need no radio at all
We got a thing that's called radar love
We got a light in the sky
We got a thing and its called radar love
We got a thing that's called
Radar love
