I found that love, provides
The key-unlocks, the heart and souls, of you and me-
Love will love, to sing your song,
Love is written in the stone

Every man, I meet is walking time-
Free to wander, past his conscious mind,
Love will come, and take you home-
Love is written, in the stone
Do you believe, my friend, in what you claim, people of
the world,
All doubt the same-bringing questions
Of their own-truth is written,
In the stone

In the stone, you'll find the meaning
Why you're not standing tall
In the stone
The light is shining, forever touching all-

Life experience a passing day
Time will witness, what the ole
Folks say-getting stronger every day
-Strenght is written in the stone-
Deep inside, our hearts for us
To keep-lies a spark of light that
Never sleeps
The greatest, you've ever known-
Yea is written-
In the stone

In the stone, you'll find the meaning
Why you're not standing tall
In the stone
The light is shining, forever touching all-
Never, never my darling, never you'll
Be alone-Forever, ever my darling
True love is written in the stone-
