Let this groove, get you to move  
It's alright, alright  
Let this groove, set in your shoes  
Stand up, alright

Gonna tell you what you can do  
With my love, alright,  
Let you know girl you're looking good  
You're out of sight and alright

Move yourself and glide like a 747  
Love yourself in the sky among the clouds in the  
heavens

Let this groove, light up your fuse, alright  
Let this groove set in your shoes  
Stand up, alright,  
Gotta let you know girl you're looking good  
You're out of sight, you're alright

Tell the DJ to play your favorite tune  
Then you know it's okay  
What you found is happiness, now  
Let this groove, get of mind to move, alright  
Let this groove, set in your shoes  
Stand up, alright

You will find peace of mind on the floor  
Take a little time, come and see, you and me  
Make a little sign, I'll be there after awhile  
If you want my love  
We can boogie on down, down, down, down

Let's groove tonight  
Share the spice of life  
Baby slice it right  
We're gonna groove tonight
