Girl, I wonder where you are  
So I close my eyes and dream  
about you, baby  
And I wonder do you feel  
Me a million miles away  
'Cause I've been needing

Chorus:  
To send  
Love across the wire to the only one  
My heart is waiting for  
I send  
Love across the wire  
Tell here I'll be here  
Until she's in my loving arms  
It won't be long

Just a few more weeks from home  
So I call you on the phone  
To say I love you  
Gonna send a card a day  
All the time that I'm away  
I miss you madly

Chorus:  
I send  
Love across the wire to the only one  
My heart is waiting for  
I send  
Love across the wire  
Tell her I'll be here  
Until she's in my loving arms  
It won't be long

Bridge:  
Gonna kiss and hold you tight  
Love you girl with all my might  
Nothing's gonna change my love  
No one else can love you like I do

Chorus:

I send  
Love across the wire to the only one  
my heart is waiting for  
I send  
love across the wire, tell her I'll be here  
Until she's in my loving arms  
(repeat)
