Change been da same  
growing pains  
Since love begun da game  
Thangs do they thang  
through the strain  
to the plane they're born to be  
Harmony of Diversity  
sing responsibility  
(from you & me)  
Sankofa!  
Stand for yours!  
Unite Humanity  
(for you & me)

Know (grow show)  
Pure Love  
Revolution just Evolution  
this war zone is not a home  
Grow and Show  
Pure Love  
Revolution just Evolution

Bless our sisters, fathers,  
mothers, brothers, (steve Bikos)  
who press us ahead of schools  
taught us right been  
Condemned to win  
and said keep the golden rule  
(show unto others pure love, children)  
Harmony of our Diversity  
means accoutability  
The sacrifice been paid  
the price, 'nuff blood shed  
to beg us to see  
(be true indeed, true indeed, yeah)

Affirmative  
Action Attack  
Social Welfare Cutbacks  
Klans without hats runnin' prison camps  
Peelin' Caps

of Mumia's, Gonzolo's, Peltier's & Geronimo Pratts  
beat down and shot in the back  
over some don't cross the border crap  
Now how we act  
ain't up to us  
if trully be in God we trust  
but must we stand for the lust  
to make our ducs and live  
big up Rauf-Move ona Move  
ya dig  
Revolution
