The Human Race is runnin' over me  
I punch a clock at 9 and 5  
Just tryin' to make a livin'  
A plastic face on satellite TV  
Says, "Life is filled with give and take"  
He's takin' and I'm givin'  
So I dance

(Hook)  
It's my system of survival (SOS)  
I'm dancin'  
System of survival (SOS)  
It's a system of survival  
Future revival  
Greet the new arrival

(Bridge)  
At times it's the only way  
I'm gonna make it through this day

(Chorus)  
Everybody get up  
Do your dance  
Keep survivin'  
Everybody get up  
Do your dance  
Stay alive

A city night  
I walk a street in fear  
While politicians brag about  
A paperwork solution

Another life  
I shed another tear  
I'm waiting for somebody new  
To lead the revolution  
So I dance

(Hook)  
It's my system of survival...

(Repeat Hook and Chorus)  
(SOS) Send it out  
Send it out, send it out, send it out...
