Are you for real?
Are you yessing me to death?
You get my humor
And baby, I'm amazed
Yeah, this must be my day
You're too good lookin'
There must be something wrong
I'm sure you're taken
I'm doing it again
But I don't want to screw myself

'Cause you're a little bit too nice
I look a little bit like hell
'Cause I'm a little overtired
And I'm a little overwhelmed
And you're a little bit too late
And it's a little bit too soon
And I'm a little bit too strange
For somebody like you
Walk over me

So far, so good
You proved me wrong again
But I'm not certain
So can we fill the space
With this awkward silence?

[Chorus]

Walk over me

[Chorus]

Oh, it feels a little bit too right
So I know it must be wrong
I wanna take you home tonight
But I'm trying to be strong
Oh, you know a little bit too much
And it's a little bit too fast
I don't have the best of luck
With making these things last

Oh, I'm just a little like my mom
I barely get a wink of sleep
And I will never lie to you
And your secrets I will keep
Oh, you're just a little bit like me
Think you're a little bit too smart
I'm a little weary
So please don't break my heart

Walk over me
Walk over me
Walk over me
