La la la...

I just can't get you out of my head, boy your loving is all
I think about

I just can't get you out of my head
Boy it's more than I dare to think about

La la la...

I just can't get you out of my head, boy your loving is all
I think about

I just can't get you out of my head
Boy it's more than I dare to think about

Every night, every day, just to be there in your arms
Won't you stay? Won't you lay?
Stay forever and ever and ever and ever

La la la...

I just can't get you out of my head, boy your loving is all
I think about

I just can't get you out of my head
Boy it's more than I dare to think about

There's a dark secret in me, don't leave me locked in
your heart
Set me free, feel the need in me, set me free
Stay forever and ever and ever and ever

La la la...

I just can't get you out of my head.
