Hey papi, hey papi
I'm not your average bimbo
Los in limbo
Hey papi, you can't catch me
'Cause I'm a bomb
Diggy-diggy bomb
Diggy-diggy uhh
You're not my kind, got no time
For fake romancer now
There's your answer

Why, why deep stares
Gonna get you nowhere
Why, why cheap talk
Can win no heart

What'chu wanna know papi-ey papi-o
Whoops, I bet you wouldn't mind Gigolo
Better run along
Carry on with the show
'Cause real ladies
Don't go for Gigolos
What'chu wanna know papi-ey papi-o
Whoops you're running out the time Gigolo
Something for nothing
Is now what you get-no
You better slow your row papi-o

Hey papi, hey papi
You better keep your hands off
Look but don't touch
Hey papi, you can't have me
'Cause I'm a bomb
Diggy-diggy bomb
Diggy-diggy uhh
Tricks and traps, this and that
Will never spark my interest
Have me impressed

Why, why
It takes more to allure a lady

Why, why
It takes a lot to get what I want

What'chu wanna know papi-ey papi-o
Whoops, I bet you wouldn't mind Gigolo
Better run along
Carry on with the show
'Cause real ladies
Don't go for Gigolos
What'chu wanna know papi-ey papi-o
Whoops you're running out the time Gigolo
Something for nothing
Is now what you get-no
You better slow your row papi-o

Why, why deep stares
Gonna get you nowhere
Why, why cheap talk
Can win no heart

What'chu wanna know papi-ey papi-o
Whoops, I bet you wouldn't mind Gigolo
Better run along
Carry on with the show
'Cause real ladies
Don't go for Gigolos
What'chu wanna know papi-ey papi-o
Whoops you're running out the time Gigolo
Something for nothing
Is now what you get-no
You better slow your row papi-o

You dropped the ball
I don't fall that easily
Yeah-I-yeah
Tricks and traps
No I don't fall for that
Hate to stay but you hit the wall
I don't fall that easily
Yeah-I-yeah
Get off my back
'Cause I don't fall for that
And I won't fall for you
