Boom, I'm popping bottles, oho  
I'm fucking models, oho  
Dance till the morning  
I don't want to go home  
I'm popping bottles, oho  
I'm fucking models, oho  
Dance till the morning  
I don't want to go home

Let's get this party started  
Let's go do something naughty  
Let's get on we rocking till the break of dawn  
Let's get this party started  
Let's go do something naughty  
Let's get on we rocking till the break of dawn  
... show, after night  
We gonna hit the town,  
Make it off right  
Just let yourself off, tonight is you night  
Rise up to the sky  
We gotta let the music play  
Don't care of what the people say  
Gotta live your life,  
Part all time  
Party all the time  
And I just want to  
Party all the time,  
Party all the time, party all the time

And I just want to  
Party all the time, party all the time,  
Party all the time  
And I just want to  
Party all the time, party all the time,  
Party all the time

Party all the time,  
Party all the time, party all the time  
And I just want to  
Party all the time,

Party all the time  
I see you moving, when you do it...  
Just loose it... me and you go  
You know we celebrating,  
We making love not hating  
We play hard, go hard,  
Plus we never fake it

Let's get this party started  
Let's go do something naughty

Whoa, whoa, make it, all the time  
And I just want to. Party all the time,  
Party all the time, party all the time  
And I just want to, Party all the time, party all the time,  
party all the time  
And I just want to, Party all the time,  
Party all the time, party all the time  
And I just want to, Party all the time,  
Party all the time, party all the time  
And I just want to,  
Party all the time,  
Party all the time
