[in background before song starts]

cheers!

the wait of influencing

fourteen vents of ?

manefestation

the whisper, scraped together

??? became the reason ?

opinion

jesus forgive me, jesus forgive me

get your fact together ?

must ??? use together

???, conditioning

operation bcome the ???

six feet and closing

rolling

jesus forgive me, jesus forgive me

the pull is, rolling ?

six feet and closing

[screaming part:] what the fuck?

the pull is, rolling ?

six feet and closing

the wait of influencing

fourteen vents of ?

manefestation

the whisper, scraped together

??? became the reason ?

opinion

jesus forgive me, jesus forgive me
