when the child was just a child
it did not know what it was
like a child it had no habits
no opinion about anything

maybe i will get a job
get a job as a waitress
maybe waiting tables in a diner
in some remote city down the highway

after all that we've been through
i know we'll make it after the wait
the question is a truth
there is nothing we can't do
i'll see you along the way baby
the stilness is the move

on top of every mountain
there was a great longing
for another even higher mountain
in each city longing for a bigger city

after all that we've been through
i know that i will always love you
from now until forever baby
i can't imagine anything better

after all that we've been through i know we'll make
it after the wait the question is a truth there is
nothing we can't do i'll see you along the way baby
the stilness is the move

isn't life under the sun just a crazy dream?
isn't life just a mirage of the world before the world?
why am i here and not over there?
where did time begin
where does space end
where do you and i begin?
