You can catch him on the dance floor, i toss to this
And you know she aint got no panties on, i toss to that

Yeah, let me get a glass of that
Puff puff pass it back
Doggy dogg with a classic rap, blazing sacks back-to-back
Imagine that
Im trying to holla at shiniqua
Champagne for me and my peopa
VIP'ing, LBC'ing, DPG's, they'll be G's
Until the end of time, and will continue to shine
My games gettin' bigger, its a wrap. chuuch my nigga

[oobie]

Let me tell ya about a bitch
Bitches are scandouls
and Bitches dont give a shit
All a bitch want is a victim of money
You aint get no loyalty
Cause a bitch gon always be
They love it when you fuck 'em
They love it when you leave em
Better yet when you mistreat her
For the bitch, nigga you dont need em
You bitches, aint getting shit
