Half on a sack or some blow
Half on a sack or some blow
Bring them tones and plenty P

(Lil E)
Its the pimp ass nigga that told you once before but
now Im tellin ya twice
Never try to test me when Im high and full of that got

Cause when Im full of that dope I'm already prepared
to stomp ya fuckin click
And if you think you got guts enough to come try

Bustas out there tradin on like they heavyweights and

But they dont know that Mack E's scopin they stash and

Leavin em dead broke wit they pockets full wit nuttin

Wonderin how in the fuck did they just got they
muthafuckin wig split
Then they sittin there thinkin on how they gonna try and
find Lil E
Mane Lil E gone be somewhere low key gettin full of
that got damn P
Yeah I said that fuckin P,just in case yall didnt know
Dont be surprised to hear that this young nigga's gettin
full of that coke
Always gamin to take somethin from and rob a lil punk

So you bitches betta back up when Lil E come limpin
