When a girl at the party when she backin it

Yall don't need no janitor the way she moppin the flo'  
Tattoo on her back say Im ready to go  
Man this girl must be the pimp the way I'm ready to hoe  
I wanna take you out the ghetto girl around the globe  
Getting freaky in the kitchen somewhere round the  
stove  
In the chumps we chilling in some hotel robes  
I put hot towels on your body and massage your toes  
There ain't nothing like some sex on a friday night  
But then again nothing like some sex any night  
After that gotta go got appointments girl  
I'm a doctor, I got other clients girl  
Now listen up close, I won't say it again  
Skip a dog your cat is a man's best friend  
Lil' Jon and Luda on the first test flight?

Where we going?

[CHORUS]

[Verse 2 - Ludacris]

Hey Kelly!

Oh damn! There go expensive "Cris"  
At the bar buyin all the most expensive shit  
And his car always got the most expensive kit  
So his gun always got the most expended clip  
Hey! Luda Luda, I'm built to last  
Nicknamed double barrel I'm build to blast  
Said your girl ain't a freak, well you gotta convince me  
Cause I'm all up in the pimp getting straight Lewinsky  
And smoking some of that kill bill  
Ten mill mutha fucker I'm still thrill  
Can't part with the women that like the dick  
Refuse to cut my hair like Michael Vick  
Dirty bird even judges say the birds is dirty  
We the reason that the clubs start closing early  
Walk up and watch the crowd start moving quick  
And I ain't gotta pay the DJ to play my shit

[CHORUS]

'Bout to roll up to this club (BOOM)  
'Bout to step off in this club (BOOM)  
'Bout to get bent in this club (BOOM)  
'Bout to get wild in this club (BOOM)

[Verse 3 - Lil' Jon]

Yeah, hey, hey, hey

When the bull pimp come man I'm sloppy drunk  
I done broke in the club it's the king of crunk  
Let the 8-0-8 bang , and the woofers blow  
Throw some ass in my lap and I'm good to go  
I spray the Chaun Don bottle, crack a beer  
While the ladies all rubbin my nappy beard  
No need to even ask it, who's the boss?  
When the dreadlocks swing and the roof come off  
The crunk juice got me up all night and shit  
And it last still? making that bite and shit  
Now the esses calling me Lo Dinero  
Stunned with my hell day, Oaklezero  
Fresh by the front and I'm ready to play  
Ask them girls for they number and they like(OK)  
BME turned millionaires, and we all like 'what what,  
yeah'

[CHORUS]

'Bout to roll up to this club (BOOM)  
'Bout to step off in this club (BOOM)  
'Bout to get bent in this club (BOOM)  
'Bout to get wild in this club (BOOM)

[Verse 4 - R. Kelly]

Now any other time I would say it's over  
Since the party so loud, Fuck it, keep it goin  
Shit don't stop till 6 in the mornin  
Come 7 o'clock a nigga still ain't yawnin  
Baby girl leaving now on her toes  
Hangover, wait a minute girl you leaving your clothes  
And tickets go on sale for a major show  
If you a hater at the booth then the booth is closed  
And move out the way I'm a Luda fan  
Up north, dirty south, west eastside man  
All strippers in the club stand up right now  
We wanna see you shake your booty in the place right
