[verse 2- Ludacris]

sometime wanna be yo lover
sometime wanna be yo friend
sometime wanna hug ya, hold hands, slow dance while
the record spins
opened up you're heart cause you said I made you feel
so comfortable
Use to play back then now you all grown up like Rudy
Huxtable
I could be yo buck, you can beat me up
play fight in the dark then we both make love
I'll do any thang just to feel yo butt
why you got me so messed up
I dunno but you gotta stop trippin
be a good girl now, turn around and get these
whippings
you know you like it like that
you don't have to fight back
here's a pillow bite that...
and I'll be settin separate plays, so on all these
separate days
yo legs can go they separate ways

{chorus}
