Now I'm pretend in the middle of the projects it stings
Cause niggas trippin' they really think that they could win

I'm a 2x loser, one more time they go around me

[Baby](Lil' Keke)

[Turk]

I just don't give a fuck either I live or I die
Until then I'm going all out and don't ask why
Untamed guerilla, hard head and don't listen,

Magnolia soldiers standing black two pistols by myself
When I come and get ya
When I'm full of that dope nigga, I'ma split ya
Lil' Turk bout gun play and any day nigga whatever
Light or daytime it really don't matter
I'm a Hot Boy fo' sho'
I'm bout' riding, I leave yo head bust nigga
When I start Firing

[Lil' Keke']
