[Oobie]

I'm sliding me on top of you  
Doing things that lovers do  
But I don't belong to you  
What's a girl suppose to do  
I only need one night with you  
To make all our dreams come true,  
You could never be my man,  
You can be my one night stand

(Oobie/Chorus)

Boy I know you got a girl  
And you know i got a man  
So lets both respect the game  
And have a one night stand  
Every body wanna know  
But they wouldn't understand  
So lets keep it on the low  
And have a one night stand

(Oobie)

Well it's about a quarter to three  
No ones lookin',  
Its just you and me  
You know im down for whatever  
And I aim to please  
But it's only for this one night

Boy I hope that you came well prepared  
Cause I want you to know that  
I ain't never scared  
You just got the RSVP  
And I'll be there  
But it's only for this one night

[Chorus]

Boy I know you got a girl  
And you know I got a man  
So lets both respect the game  
And have a one night stand  
Everybody wanna know

But they wouldn't understand  
So lets keep it on the low  
And have a one night stand  
[Lil Jon:]  
Shawty, let me know what's up wit it (wit it)  
Won't you let a real thug hit it (hit it)  
Stop playin' with these lames  
Ain't got no shame  
The liquor is to blame (you know it)  
I just go to tell you this (what's up)  
Those lips I wanna kiss (yeah yeah)  
That ass I gotta grab (grab)  
Yo' shit I gotta stab (stab)  
I got my baby mama,  
You got your baby daddy  
We ain't got all night  
Lil mama, get it right  
Yo' shit is good and tight  
I aint bout them games shawty (nah)  
You know my name shawty (yea)  
Just use yo' brains,  
If you know what im sayin'  
Its a one night stand shawty

[Chorus:]  
Boy I know you got a girl  
And you know I got a man  
So lets both respect the game  
And have a one night stand  
Everybody wanna know  
But they wouldn't understand  
So lets keep it on the low  
And have a one night stand

[Oobie/Two Times:]  
If you know how to keep a secret,  
You can get it fo' sure  
Just make sure you get enough  
Cause you can get it no more

[Big Sam:]  
Come and ride out wit' cha' boy (boy)  
Big Sam been filled with almond joy(almond joy)  
Like I told you,  
Im something just like a freak  
So keep the games fo the middle of the week  
Damn you look so pretty  
With yo' big ol' ass  
And tig ol' bittys  
Red bone, 5'7, 5'9  
For one night, I gotta make you mine

Yea I know you gotta a man shawty  
And you know I got a wife shawty  
So lets strap it up,  
I hope the pussys tight  
We only got one night shawty

[Oobie:]

Im not tryin' to be your girlfriend  
Just want a one night stand  
And you can't never be my boyfriend  
Just want a one night stand

[Chorus:]

Boy I know you got a girl  
And you know I got a man  
So lets both respect the game  
And have a one night stand  
Everybody wanna know  
But they wouldn't understand  
So lets keep it on the low  
And have a one night stand

You'll be my man,only for one night  
And I'll be your girl,only for one night  
If you'll be my man,only for one night, then i'll be your  
girl only for one night
