[Oobie:]

I'm sliding me on top of you
Doing things that lovers do
But I don't belong to you
Whats a girl suppose to do
I only need one night with you
To make all our dreams come true
You could never be my man,
You can be my one night stand

[Oobie/Chorus]

Boy I know you got a girl
And you know I got a man
So lets both respect the game
And have a one night stand
Everybody wanna know
But they wouldn't understand
So lets keep it on the low
And have a one night stand

Well it's about a quarter to three
No ones lookin',
Its just you and me
You know I'm down for whatever
And I came to please
But its only for this one night

Boy I hope you came well prepared
Cause I want you to know that
I ain't never scared
You just got to RSVP
And I'll be there
But its only for this one night

[Chorus]

Boy I know you got a girl
And you know I got a man
So lets both respect the game
And have a one night stand
Everybody wanna know
But they wouldn't understand

So lets keep it on the low
And have a one night stand

[Lil Jon:]

Shawty, let me know whats uo wit it (wit it)
Won't you let a real thug hit it (hit it)
Stop playin' with these lames
Ain't got no shame
The nigga is to blame (you know it)
I just go to tell you this (whats up)
Those lips I wanna kiss
That ass I gotta grab
Yo' shit I gotta stab
I got my baby mama,
You got your baby daddy
We got all night
Look lil mama, get it right
Yo' shit is good and tight
I aint bout them games shawty (nah)
You know my name shawty (yea)
Just use yo' brains,
If you know what I'm sayin'
Its a one night stand shawty

[Chorus:]

Boy I know you got a girl
And you know I got a man
So lets both respect the game
And have a one night stand
Everybody wanna know
But they wouldn't understand
So lets keep it on the low
And have a one night stand

[Oobie/Two Times:]

If you know how to keep a secret,
You can get it fo' sure
Just make sure you get enough
Cause you can get it no more

[Big Sam:]

Come and ride wit cha boy (Big Sam) then fill with
almond joy
Like I told you,
I'm something just like a freak
So keep the games fo the middle of the week
Damn you look so good (good)
With yo' big ol' ass
And big ol' titty bittys
red bone, fine self, 5'9
For one night, I gotta make you mine

Yea I know you gotta a man shawty
And you know I got a wife shawty
So lets strap it up,
I hope the pussys tight
We only got one night shawty

[Oobie:]

I'm not tryin' to be your girlfriend
Just for a one night stand
And you can't never be my boyfriend
Just a one night stand

[Chorus:]

Boy I know you got a girl
And you know I got a man
So lets both respect the game
And have a one night stand
Everybody wanna know
But they wouldn't understand
So lets keep it on the low
And have a one night stand

You'll be my man,only for one night
And I'll be your girl,
but only for one night
