[Eazy-E]

First up high on a roof top  
like a bird I'm havin' evil thoughts  
a black hood covers my face  
and death flows through my mind at it's own pace  
sometimes I feel like a super hero  
urgin' to free my kind  
I'm so accurate  
I shoot ya heart with a dime  
now I'm back to the moral of my tale  
I see a victim, and then my thoughts fail  
my minds still fumblin' with the present slavery  
I'm here to save you but who's to save me  
I hold my strap so long that my palms all wet  
I put finger on the fit and then the side a check  
I make the kill here's the deal  
after the trigger's pulled then the death is sealed  
so it's the shots that sing out like a piper  
everyones scared I'm the neighborhood sniper

[Chorus]

[Eazy-E]

So my boy is a snitch  
I put my gun up to his head  
and simply scared the bitch boo  
being the E ya know I'm thinkin' devious thoughts  
take off ya clothes nigga and here comes a plot  
his bitch was scared she made a move I pulled the  
trigger  
now the rumors rare  
now there's nothing left but a snitch  
here's a four leaf clover punk make a wish  
one [\*Shot\*] two [\*Shot\*] three strikes your out  
this nigga is dead and now I'm lookin' for a window  
I made my escape the cops chase  
duckin' to an alley so they don't recognize my face  
the boy had to pay the piper  
so they all stayin' fair of a neighborhood sniper

[Chorus]

[Eazy-E]

I'm Doin' dirt as I continue my mission  
killin' all fools as an addiction  
as a E lovin' the game leavin a shame  
and in my heart I feel no muthafuckin' pain  
because my heart is cold as I was told  
and my A.K.47 I stand bold  
rippin' up shit with the fury of my gun shot  
pop pop pow as I watch the muthafucka drop  
lovin' the site as the blood spill  
take a photograph, to keep in my hard as I was sayin'  
calm  
and never hyper as I succeed in my mission  
I be a neighborhood sniper

[Chorus]
