A little touch of life
Can really frighten death
So when I see you
It gets better
When you are close beside
When you need help from God
It really makes you crawl
The funny feelings
Makes you bitter
And also makes you laugh
But you don't need to wait no more
'Cause you got it, it is all my fault
Yeah you don't need to wait no more for me
This lovebird set you free
A cloudy sky of white
Is turning into black
Another story
Makes your mind blow
'Cause you just know to much
But you don't need to wait no more
'Cause you got it, it is all my fault

Yeah you don't need to wait no more for me

This lovebird set you free
