Feel the time - you are

Feel the time is running by

I am mourning in all my life - you are

All my life my shadows been crying

And I am so thin

A bottle of wine - you want

Has been a friend that drove me down

And I had love - lost

Love that took me to the sun

Well Iâ€™m just a dust of misery

Now Iâ€™m taking a trip to a brighter sea

I have flown away x4

Donâ€™t feel down - down

Iâ€™m better off dead anyway

And you cry - cry

But all I did was to kill a dead woman

And I was so thin

I wouldnâ€™t eat - eat

I thought the food was eating me up

And I froze - froze

The heat was gone Iâ€™m not the only one

And Iâm just a dust of misery

Who is taking a trip to a brighter sea

I have flown away
