Roll my soul it makes me standing
Makes me leaving my control
Roll my soul I love you madly
Falling down a corridor - when you roll my soul
Roll my soul for every other
We can share joy with you
Roll my soul for every other
Singing songs and being blue
When you roll my soul
So d'you think? We can go
Still beloved still think so
So d'you think? We can go
Roll my soul
I'm never leaving rock 'n' roll
Roll my soul
I'll sell myself to rock 'n' roll
Roll my soul
I'll never sing without the soul
If you roll my soul
Roll my soul we are the future
It's the sound of being new

Roll my soul we are the future

So stand in line and smile when you

When you roll my soul

So d'you think? We can go

Still beloved still think so

So d'you think? We can go

Roll my soul

I'a never leaving rock 'n' roll

Roll my soul

I'll sell myself to rock 'n' roll

Roll my soul

I'll never sing without the soul

If you roll my soul
