She's more beautiful than me

In dream she smile

But she's hard to find

She fills my soul and holds me in my hand

She understand

You don't understand

Why I am quiet, why I'm locking down on the floor

Why I am running when you ask me how it goes

Why I am turning away from you

She looks into my eyes

It hurts that I made you cry

We will fall apart

And I will fall asleep

Why, why can't you see

Why I am quiet, why I'm locking down on the floor

Why I am running when you ask me how it goes

Why I am turning away from you

And you and me are just the same

Don't you see

That you are me

Why I am quiet, why I'm locking down on the floor

Why I am running when you ask me how it goes

Why I am turning away from you
