Sixteen, acting like you need nobody,
Fools me, never gonna fall down for your sweet love,
Sweet sixteen of mine.
Dreaming the days to a brighter life,
And it's love within the sun,
I can tell that you really care about you and no one,
I wanna fall into your heart and stay there, trade it for
my own.
I wanna feel what it really means
To be frightened when I'm walking to the fading... ?
Sixteen acting like you need nobody,
Fools me, never gonna fall down for your sweet love,
Sweet sixteen of mine.
Sleeping the days to a brighter love,
How they will remember you,
Hope you see what it means to me,
It's not all 'bout you,
Don't wanna fall into the sea alone,
I can't swim, but you,
Still wanna feel that it's all for real,
Walking in another shadow I prefer walking out when
it's

Sweet sixteen acting like you need nobody,
Fools me, never gonna fall down for your sweet love
Sweet sixteen of mine.
Sixteen, you don't have to think about it,
It's me, I will never walk away, I'll stay near,
Sweet sixteen of mine.
