Ooh (Can you look at me?) Ooh Ooh Ooh
Ee-Yeah Yeah
Ee-Yeah Yeah

Look at me,
can't you see
these tears are
cried for you

If you should ever
need, I'll be
here with nothing
else to do

But to think of the creed,
that we live in the greed
all the love
so careless and free

Make the moment last
don't relive our past
just remember,
we had in and taught you

Got to hold on
got to keep it,
strong, you see always
thinkin' we can do

Got to keep the love a lot
or leave, so strong im not
it's the least that you
and I can do

Look into my eyes
see the temper rise
my love is waiting here
for you

If you reach up
on my hip I'm, sure

I'll see how we can make our
dreams come true

Ooh
