Today I'm having a good day
just thinking about my baby
He turns me out
he gives me love I won't deny
Come over here, let me give
I wanna give you all of my love

(chorus)
I'm giving you my love
all my love to you
What else can I do?
I'm crazy for you (Repeat)

Look what you've done! My body craves for you
When you kiss my lips
It makes me trip
I don't know what to do
You are my heart babe.
I can't let go
You've got me high
Can't you see in my eyes that I can't...
(Can't get enough of your love)
Can'tt get enough of you boy
(I love to feel your touch)
I love, I love, I love, I love
(You can have all this love)
You can have it babe
(Can't wait to feel your touch)
I...

(chorus)

(I'm giving you all my love. It's for you)
What else can I do?
I'm crazy for you
(I'm giving you all my love. It's for you)
What else can I do?
I'm crazy for you
(Just let me give, give you my love
there's no one else I'm thinking of)
(Just let me give, give you my love

there's no one else I'm thinking of)
NO ONE ELSE I'M THINKING OF!
