Love your neighbour as yourself,  
Why's our world so full of hate,  
Divisions in the body of Christ,  
We should stand together to serve him, (repeat twice)

Maybe there was a time for peace  
maybe they will strike again  
maybe this will never end  
maybe theres hope for our nation in you

Atime to cry, a time to laugh,  
more cries of pain than shouts of joy,  
a time for war, a time for peace  
this is not the time for us to fight (repeat twice)

chorus

(guitar solo)

this is not the time for us to fight (repeat twice)

chorus (repeat)
