Ay, ay, ay, yeah, yeah, yeah  
Easy, no happening  
They say it's going down,  
But do they really know when  
Do they really know how?  
So much that they...  
Putting our faith in the clouds  
Who knows how all turns out?

Chorus:

But if we survive,  
We'll build a whole new life  
You and I, you and I!  
If we just try,  
We'll build a whole new life  
You and I, you and I!

Why do we live in fear?  
Who are we waiting for?  
What are we really doing here?  
No one knows for sure!  
Do we disappear, or just open up the doors?  
I'm hoping for the cure, yeah!

Chorus:

But if we survive,  
We'll build a whole new life  
You and I, you and I!  
If we just try,  
We'll build a whole new life  
You and I, you and I!

Ay, ay, ay, yeah, yeah, yeah  
Ay, ay, ay, yeah, yeah, yeah  
Oh, oh, oh, oh

Chorus:

But if we survive,  
We'll build a whole new life  
You and I, you and I!  
If we just try,

We'll build a whole new life  
You and I, you and I!

Ay, ay, ay, yeah, yeah, yeah  
Ay, ay, ay, yeah, yeah, yeah  
Oh, oh, oh, oh
