wooden love you couldn't stop  
you didn't go and you  
did fade away in a twinkling of an eye  
you are my wooden love  
you couldn't stop

you didn't go away  
i'm begging  
you didn't fade away

well she said no  
now we can go  
and we can solve only  
if we close our eyes  
you are my wooden love

you couldn't stop  
you didn't go away  
i'm begging  
you didn't fade away

now i watch tv  
to get through the day  
now i watch tv  
and said  
what a fucking life!
