Whoever sang my songs  
On the stage on my own  
Whenever said these words  
Wishing they would be heard  
I saw you smiling at me  
Was it real or just my fantasy  
You'd always be there in the corner  
Of this tiny little bar

My last night here for you  
Same old songs, just once more  
My last night here with you  
Maybe yes, maybe no  
I kind of liked it your way  
How you shyly layed your eyes on me  
Did you ever know  
That I had mine on you

Darling, so there you are  
With that look on your face  
As if your never hurt  
As if your never down  
Shall I be the one for you  
Who pinches you softly, but sure  
If a frown is shown then  
I will know that you are no dreamer

So let me come to you  
Close as I want to be  
Close enough for me  
To feel your heart beating fast  
And stay there as I whispered  
How I love your peaceful eyes on me  
Did you ever know  
That I had mine on you

Darling, so share with me  
Your love if you have enough  
Your tears if your holding back  
Or pain if that's what it is  
How can I let you know  
I'm more than the dress and the voice

Just reach for me then  
You will know that you are not dreaming

Darling, so there you are  
With that look on your face  
As if your never hurt  
As if your never down  
Shall I be the one for you  
Who pinches you softly, but sure  
If a frown is shown then  
I will know that you are no dreamer
