Every file you take,
Every scan you make,
Every net you quake,
Every song you play, I'll be watching you.

Every single day,
Every word you say,
Every game you play,
Every night you stay, I'll be watching you.

Oh, can't you see?
Those songs ain't free,
How can poor artists
Give every song you play?

Every scan you make,
Every sound you take,
Every phile you fake,
Every claim you stake, I'll be watching you.

Since you logged, I ping hosts without a trace
I query all night, bootlegged 'threes and WAVs
I look out for warez, hoping to make a case
Don't feel so sold out, a song you can't replace

Don't crack S. D. M. I, please...

Oh, can't you see?
Those songs ain't free,
How can poor artists
Give every song you play?

Every scan you make,
Every sound you play,
Every trial you stake,
Every LAME you break,
Every player you fake,
Every song you take,

I'll be watching you.
