Come on, you always said you wanted to go
Come on, you always said you wanted to go
You see I like Chicago but I got to go back to Detroit

Come on, you always said you wanted to go
Come on, you always said you wanted to go
You see I like Chicago but I got to go back to Detroit

One and one is two, two and two is four
Now you tryin' to tell me that you don't love me no more
Come on, you always said you wanted to go
You see I like Chicago but I got to go back to Detroit

Two and two is four, four and two is six
Baby I believe you're up to your same old tricks
Come on, you always said you wanted to go
You see I like Chicago but I got to go back to Detroit

Come on, you always said you wanted to go
Come on, you always said you wanted to go
Five and five is ten, ten and twenty is thirty
Everybody in the neighborhood knows that we're goin'
steady
Come on, you always said you wanted to go
You see I like Chicago but I got to go back to Detroit

Come on, you always said you wanted to go
Come on, you always said you wanted to go
You see I like Chicago but I got to go back to Detroit
You see I like Chicago but I got to go back to Detroit
Yeah!
