black curse  
black light  
perverse  
sick mind  
restrain  
your fear  
this game  
is for real  
so come to me  
and let me see  
your body belongs to me  
no one will hear  
your cry, your fear  
no one will know  
i stained your soul  
black light  
dark room  
death cage  
my rage  
these chains  
of steel  
this pain  
won't heal  
so come to me  
and let me see  
your body belongs to me  
no one will hear  
your cry, your fear  
no one will know  
i stained your soul  
black curse  
black night  
dark room  
black light  
come to me
