So many things that I didn't get to say
And you're so far away
But in my heart you will stay
There are no goodbyes
And there is no regrets
I miss you today
And I'm not over it yet Buy

I'll see you soon again my friend
The times that we've shared been so genuine
Know that you had to go
But you'll tell me where you've been
'Cause I'll see you soon again my friend

When I see you I'll ask you, "Where have you been?"
There'll be so much to say
We won't know where to begin
We'll skateboard all day
And we'll drink all damn night
'Cause I know we'll meet up in the next life

I'll see you soon again my friend
The times that we've shared been so genuine
Know that you had to go
But you'll tell me where you've been
'Cause I'll see you soon again my friend

I think of sunny skies
And I know that you never wasted your time
I think of your laugh
And I think of your smile, and I cry
Waitin' for the day I'll see that smile on your face again
Holdin' on to the memories
'Cause brotherhood's forever my friend

But I know...
I'll see you soon again my friend
The times that we've shared been so genuine
Know that you had to go
But you'll tell me where you've been
'Cause I'll see you soon again my friend

And I'll see you soon again my friend
The times that we've shared been so genuine
Know that you had to go
But you'll tell me where you've been
'Cause I'll see you soon again my friend
Know that you had to go
But you'll tell me where you've been
'Cause I'll see you soon again my friend
