You are condemned,  
I've put a spell on you!  
The smell of death,  
has got all over you!  
Like a disease,  
I will control your mind!  
Get on your knees.  
You won't survive the night!

Hellraiser!

Hellraiser!

You are possessed.  
I am your living pest!  
Put you to rest.  
Tonight you'll be my guest!  
You are oppressed.  
Abused on my request!  
Get ready for..  
The final inquest!

Hellraiser!

Hellraiser!

Hellraiser!

You are possessed.  
I'm your living pest!  
Put you to rest.  
Tonight you'll be my guest!  
You are oppressed.  
Abused on my request!  
Get ready for..  
The final inquest!
