When I was young,  
I was so full of fear  
I hid behind anger,  
Held back the tears

It was me against the world,  
I was sure that I'd win  
The world fought back,  
Punished me for my sins

I felt so alone,  
So insecure,  
I blamed you instead  
And made sure I was heard

And they tried to warn me  
Of my evil ways  
But I couldn't hear  
What they had to say

(chorus)  
I was wrong,  
Self destruction's got me again  
I was wrong,  
I realized now that I was wrong

And I think about my loves,  
Well I've had a few  
I'm sorry that I hurt them,  
Did I hurt you too

I took what I wanted,  
Put my heart on the shelf  
How can you love me  
When you don't love yourself

It was me against the world,  
I was sure that I'd win  
The world fought back,  
Punished me for my sins

And they tried to warn me  
Of my evil ways  
But I couldn't hear  
What they had to say

(chorus)  
I was wrong,  
Self destruction's got me again  
I was wrong,  
I realized now that I was wrong  
I was wrong (2x)

I grew up fast,  
I grew up hard  
Something was wrong  
From the very start

I was fighting everybody,  
I was fighting everything  
But the only one  
That I hurt was me

I got society's blood  
Running down my face  
Somebody help me  
Get outta this place

How could someone's  
Bad luck last so long  
Until I realized  
That I was wrong

(chorus)  
I was wrong,  
Self destruction's got me again  
I was wrong,  
I realized now that I was wrong
