There's something with the way you walk  
There's something there that lights a spark inside of  
me  
And it makes me want to sing  
Makes me forget everything  
There's something there inside your eyes  
Lets me know you never lie you fill me up  
And I know what you need  
Do you know what you mean to me?

(Chorus)

Well I watch you sleep sometimes  
And it feels like the first time  
And you always on my mind, every day  
Just like the first day  
And I talk to you sometimes  
Even though you never talk back  
And I buy you things sometimes, cuz I don't mind

There's something strange you can't get mad  
Even when you're being bad, just look at me  
And I forget everything, I try but I can't be mean  
You sit by me and I scratch your back  
You lick my hands and I get a rash, but that's ok  
Cuz we, we are a team, you make a mess and then I  
clean

(Chorus)

There's something with the way you act  
You make me laugh when you chase the cat  
You chase him around  
And when it's close to feeding time, you just stare at  
me and whine  
You won't lay down you hardly sit  
I give you a bath when you smell like shit, but you don't  
mind  
And we go out every now and then  
And when you're done then we come back in

(Chorus)

Yeah I don?t mind  
Yeah I don?t mind
